Location

Disabled Parking

There are five disabled parking bays located at the entrance to the car park. The department can then be accessed by a slightly sloping pavement.

There are no kerbs or stairs.

The main car park to the rear of the building is tarmac. The car park is free. There is adequate space for patients to be dropped off at the main entrance to the health park.

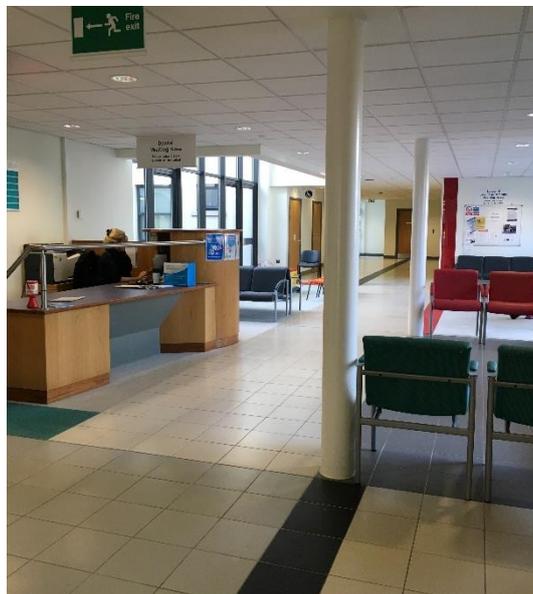

The dental department is accessed via the main entrance.

Outside Access from the Car Park

There are two automatic doors at the main entrance with no steps or kerbs.

Inside Access

The foyer is well lit with large windows and adequate lighting. The floor is carpeted. The waiting room is in front of reception. Access to the dental department is through double doors to the left of reception.

Reception

On entering the health centre, the dental department reception is to the right. The flooring is a level tiled floor with vinyl flooring in treatment areas.

Treatment rooms

Treatment areas are accessed directly from reception through double doors. All treatment rooms are accessed from a wide well-lit corridor.

A member of the dental team will support and guide the patient into the treatment room and will remain with them throughout treatment and assist them back to reception.

The treatment areas have level vinyl covered floors.

The x-ray room can be accessed by wheelchair users via a door from reception.

Toilet Facilities

There is a disabled toilet in the waiting room with a further one in the department with no ramps or stairs.

Additional Information

Patient letters can be made available in other formats such as large print (on request at reception).

All staff have disability awareness training.

Interpreters can be provided with appropriate notice.

Assistance dogs

Assistance dogs are welcome in all dental clinics.

A nurse or member of reception team will support and guide the patient into the treatment room and will remain with them throughout treatment and guide back to reception on completion.
